BIANCA G. GRIFFIN

FULLSTACK DEVELOPER

ABOUT ME

I'm a passionate Fullstack Developer with an unwavering enthusiasm for the exciting world of web development. Although my professional journey hasn't been exclusively focused on this field, my natural curiosity and thirst for knowledge constantly push me to explore new technologies and methodologies. I'm particularly drawn to the magic of seeing a web page come to life and the challenge of keeping it in constant evolution. I enjoy collaborating as part of a team, where my proactive attitude and willingness to learn allow me to contribute significantly and support my colleagues in achieving our common goals.

WORK EXPERIENCE

Grupo konecta

2009-2011

Game Store Ibera, S.L

2011-2024

- I led a sales team at a Game store, overseeing daily operations and ensuring a high level of customer service.
- I developed and implemented efficient schedules for the staff, maximizing coverage and minimizing labor costs.
- I created and updated daily objective charts for the team, promoting motivation and optimal performance.
- I managed the loss prevention and theft department, conducting regular inventories using mobile devices (PDAs) and computer systems to verify stock and prevent losses.
- I coordinated promotional campaigns throughout the year, such as Christmas, summer, among others, ensuring effective implementation and an appealing shopping experience for customers.
- I maintained constant communication with the headquarters, sending reports, emails, and updates on the store's status and ongoing initiatives.
